

Dear Potential Member:

You're invited to attend Shades of Success Investment Club Open Enrollment meeting. An investment club is formed when a group of friends, neighbors, and business associates, or others pool their money to invest in stock or other securities.

Please contact Una Burrell, the Club's Secretary at Uburrell@adelphia.net to schedule a date to attend a meeting. An open enrollment meeting is held each quarter.

Please review the club's operating procedures and partnership agreement found on the club's web site before attending the meeting.

The meeting will provide you with information so you can make an informed decision about joining the club.
