

CNCC Stock Discussion Group (SDG)

Stock Discussion Group will be meeting the third Saturday of the month on September 17, October 15, November 19, (we will take December off), January 21 and the fourth Saturday in February on the 25th.

The SDG meeting is from 9:00AM to 11:30AM at the Herb Young Community Center in Cary.

The purpose of this meeting is to provide investors the opportunity to meet and discuss stock investing utilizing the BetterInvesting methodology. The meeting is open to both people new to BetterInvesting as well as more experienced investors, although some familiarity with the SSG is helpful. This meeting provides an opportunity for all to ask questions on areas that may be confusing and to benefit from the viewpoints of others.

To help defray expenses we are asking for \$5 for attending the meeting or \$20 which covers attending all meetings (8) for the next fiscal year (from September thru June). Also to encourage participation spouses accompanied by a paying attendee get in free. For first time attendees there is no charge.
