Audit Instructions

To perform your audit, first prepare by accumulating the records required from your financial institutions and from your club bivio records.

Assemble the records needed to complete each of the 7 audit steps and assign each step to an independent committee to perform.

Perform the records comparison and note any discrepancies found. There are 7 steps to the audit process:

- 1) Verify cash balances and number of shares of stock—start of tax year
- 2) Verify cash balances and number of shares of stock—end of tax year
- 3) Verify income received
- 4) Verify expenses recorded
- 5) Verify stock transactions
- 6) Verify accuracy of member contributions
- 7) Verify accuracy of withdrawals

Discuss discrepancies with the club and the club treasurer, determine what is required to correct them and make the corrections agreed to.

Have everyone sign the forms in the correct places and file the completed forms with your club records.

Put your feet up and relax or have a party to celebrate!

Have fun in the upcoming year investing with your friends!
